I would definitely recommend Vivup as a benefits platform
Staff are really helpful and friendly, if you need anything updating they just do it and get the job done! Brilliant!

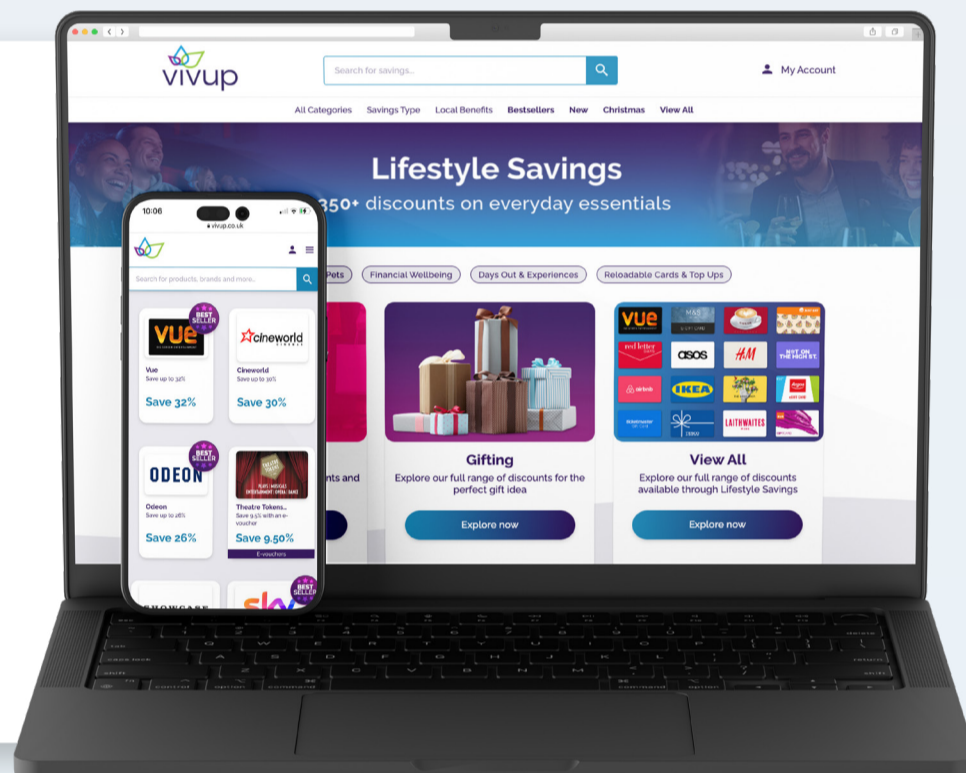

Exceptional Service
The service we have received from Vivup's Highfive team has been exceptional! Nothing is too much trouble. Jacqui and Simon are always available to offer advice and support

Save lots of money and easy to use
Very easy to use and can make lots of savings. E vouchers once paid for come through to email quickly so they can be used in store when shopping... Regularly add more offers to popular shops. Moved house 3 years ago and used Vivup to make savings on white goods and used for DIY stores on going. Always recommending for work colleagues to use. Excellent, efficient customer service team

Really makes a difference
I have ordered items from Vivup and found it to be very helpful. I love the way you can spread the cost- it really makes a difference, especially around Christmas. Thank you!

Asked for clarification of my cycle to work contract as my knowledge of tax relief is not great. Got a super quick response, put my mind at ease and reassured me I have a cracking deal. Many thanks
